## How to arrive

### How to arrive from Airport “Juana Azurduy de Padilla”

There is no direct bus service from the airport to the city center. Some buses pass nearby but we wouldn't suggest their services; it is too slow, they don't have fixed stop hours and not the most reliable service.

We suggest you to take one of these 2 options:

- 1) Write us at least 24h before arriving to [sumerced@entelnet.bo](mailto:sumerced@entelnet.bo) ask for our shuttle service with known taxi drivers. (For additional charge).
- 2) Or you can just use any regular cub from curb side from the airport.

The trip from the airport to our hotel should take just 20-30 minutes.

### How to arrive from the Bus Station

There are buses from the bus station to the city center but we wouldn't suggest their services; it is too slow; they don't have fixed stop hours and not the most reliable service. We don't typically offer the transfer-in service from the bus station because bus arrival time varies.

We suggest you to take any regular cub from curb side from bus station, (before leaving the fenced grounds of the station).

The trip from the bus station to our hotel should take just 20-30 minutes.
